

YOU ARE SPECIAL!

Call it what you will but I pulled this off and I hope that you are interested enough to take advantage.

We have 3 tournaments this summer at 60 Acres:

- 1) July 11th – July 13th (Saturday-Monday)
- 2) July 18th – July 20th (Saturday-Monday)
- 3) July 24th – July 26th (Friday-Sunday)

The Semi's and Finals are on the LAST DAY, so Monday, Monday, Sunday.

So what! you say? Well, because you are so special we have convinced the Tournament to pay you extra for participating so as to make it worth your time.

For the Preliminary round games at the U16 and higher levels you get the game fee PLUS:

- a. Grade 7 – add \$5
- b. Grade 6 – add \$10
- c. Grade 5 (and above) – add \$20

So a Center for a U16 game pays \$42, so for a Grade 5 that is \$62 for a 70 minute game.

For the Elimination Round games on (Monday, Monday, Sunday) this same addition is true for games at the U14 and up levels. Kind of makes it a little more worthwhile to come out for one game.

The only difficulty we will have is this will be done POSTMORTUM to the tournament because the billing for it cannot be done until after the tournament is over. But this is a nit.

To take advantage of this we have created some games that display at fields 17, 18 & 19 (which, of course, do not exist), but we have done this so that you have unabated access to the signup process. Only you can sign-up for these matches.

Have a great summer!

Tom
